

2018 Netball Classes

sportsense

We run netball sessions for school Years 3 to 6 to develop players for league competition with Marlow Kites Netball Club and other local Clubs. Over the last 3 years, we have had more than 100 players move to Competition. We use the modern coaching method called 'GameSense', using Netball and related games to teach tactics, skills and game play. All this with fun, exercise and time with friends.

Moving Ahead (Years 3 – 4)

Weds 5.30 – 6.30pm Outdoors

Getting League Ready (Years 5 – 6)

Weds 5.30 – 6.30pm Outdoors

The coach will be Stephen Ford, a National league coach, UKCC Level 2 and fully DBS checked. Stephen coaches at many primary and secondary schools.

We hope you join us!
